

INVITATION to XYLEXPO

08 – 12 May 2018 | Hall 4, Booth A 55

In Milan we present our
entire service range:

- **NEW:** DSB Singlehead NG XM – for maximum flexibility in wood thin-cutting
- DSB Compact 310 – enter the world of precision thin-cutting
- DSG Notum – the frame saw for the cost-effective thin-cutting
- TRC-M Easy – the semi-automatic machine for wood surface repairs
- Carbide-tipped and Stellite® saw blades for any type of wood

We look forward to welcoming you!
