

Classic

Plot combine USA/CAN

Year of construction: 2019
Operating hours: 76
Serial number: 1540-4018-2481
Manufacturer: WINTERSTEIGER
Machine location: Fort Collins, CO

Mediation sale

Machine is modified for hemp seed harvest!

We used this combine for two years harvesting hemp see. It has a bagging station added with a cyclone and airlock. The combine has a pickup header attachment as well as all the parts to use it as a regular grain platform. The combine is in good shape and works well.
